January 2007

The South West VETlink team welcome you to a new year and hope you had a merry and safe Christmas. We have returned refreshed and ready for an exciting new year. Let us introduce the 2007 staff at South West VETlink Inc.

TEAM 2007

L to R - Jocelyn Hope, Ann-Marie Jilley, Carolyn Newman, Beverley Sykes

LCPs in regional Western Australia are invited to contact Jocelyn at any time on our telephone number below to discuss issues and concerns.

Money, Money, Money

Carolyn Newman, our intrepid Administrative and Finance Officer has been with us now for 6 months and brings a solid financial background ranging from financial management to winery accounts management.

Stress?... What Stress?

Our self appointed Meet and Greet Co-ordinator, 6 year old black Labrador Retriever called Tess. Tess is an accredited pet therapy dog, who comes to work with Jocelyn some days and is a great hit with staff and visitors alike. Tess takes her job description very seriously, which also includes, winter foot warmer, photographic model and stress reliever.

New team member

The South West VETlink Inc, Local Community Partnership (LCP) team, welcomes Ms Ann-Marie Jilley to our team.

Ann-Marie joins us as the Programme Co-ordinator for the Bunbury and Preston regions. She is looking forward to speaking with school Principals, Deputy Principals, Career Advisors and VET Co-ordinators in the coming months.

Project Management experience reaps rewards

Ms Beverley Sykes is our Programme Co-ordinator for the Blackwood and Vasse regions. Beverley has been with SWVETlink now for almost one year and she brings a decade or more of successful project management experience. Beverley will also be in contact shortly with Blackwood and Vasse schools.

Beverley and Ann-Marie will be working collaboratively to ensure continuity of projects and programmes.

Recognition of experience

Our Executive Officer, Mrs Jocelyn Hope has been appointed the Western Australia regional representative for Local Community Partnerships. This position recognises the valuable experience Jocelyn brings to the LCPs.
